

DISCIPLESHIP FOR THE MARGINALIZED – 1 PETER

Study Notes for 1 Peter 1:13-25

The prior section (verses 1-12) focused on the greatness and comprehensiveness of the salvation that God had provided for the scattered aliens. They were chosen in Christ in eternity past and looked forward to a living hope at the end. So, they could cope with their present crises and distresses. This section builds on what he said before.

1. What do you observe about the main ideas that strike you, paying some attention to the commands given?
2. What are some of the connections between the different ideas and themes in the passage?
3. Why and how what Peters says would be relevant to his original audience?
4. What would you consider to be the main truth of this passage?
5. How does this impact us in our current crisis?
