

DISCIPLESHIP IN A PLURALISTIC SOCIETY – PART VI

Study Notes – 1 John 4:1-1-6

We will be looking at a short passage with just 6 verses. It will be good at this time to review the section from chapters 2 to chapter 3 verse 6. He repeats some key tests to prove what genuine faith looks like in a pluralistic society. They are all important in a society such as ours. We hope to have time to share Christmas stories with each other as we prepare for the season. Here are some questions

- 1. What seems to be the key questions about Jesus that John seems to address?**
- 2. What similarities and differences we face on those questions in our world today?**
- 3. What is the key lesson we learn about truth and error?**
